REPORT

Seminar on Dengue Prevention

Pandaveswar College is situated in the Industrial Coal Belt of Paschim Bardhaman. The students are mostly first-generation learners and come from financially weaker section of the society. Their parents are mostly daily wage workers in the coal mines. Thus, the College felt the need to introduce certain ideas regarding dengue prevention to the students so that they can make their neighbors and other people of their area aware about the dangers of the disease. Thus, the College decided to host a Seminar on Dengue Prevention on 16th August, 2022 along with the Internal Quality Assurance Cell of Pandaveswar College. Ms. Sarbori Nayak, Former Asst. Teacher in Biology from DAV Public School, Durgapur was invited to speak on the Topic. The Seminar started at 11:30 a.m. and the discussions were very fruitful because the students could make their neighbors aware during the rainy season.
