Report

Seminar on Human Rights and Protection of Girl Child

Human rights are standards that recognize and protect the dignity of all human beings. Human rights govern how individual human beings live in society and with each other as well as their relationship with the state and the obligation that the state have towards them. The College authority understood the importance of inculcating the ideas about human values and human rights among the students so as to make them responsible citizens. Thus, the Women Cell along with the Internal Quality Assurance Cell of Pandaveswar College decided to host a Seminar on Human Rights and Protection of Girl Child on 10.12.2022 from 11:30 a.m. onwards. Mr. Hiralal Barman, a social activist and a member of Human Rights Organization located in Kolkata. Mr. Barman conducted an independent research around Sundar Ban and brought to lime light many important issues like human trafficking, prostitution etc. Mr. Barman came with his team and spoke on the importance of Human Rights and discussed the various laws for the protection of women. The teachers of the College, staff, students and guests were really impressed to hear him.
