Pandaveswar college along with the IQAC of the college hosted a workshop on Pata Chitra and Painting. The college is situated in the Coal Belt OF Paschim Bardhaman and is surrounded by open cast coal fields. The main population of the area comprises of industrial works specially from Jharkhand and Bihar. Thus, the youth of the area are not aware of the rural and Folk tradition of their area. After taking with the students and taking their views into considerations, the college authorities decided to host a workshop on Folk Art and Pata Chitra painting to make the students aware of the rich Folk culture of the Bardhaman and the neighboring districts at Birbhum, Bankura and Purulia.

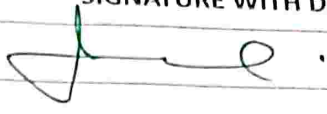

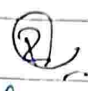

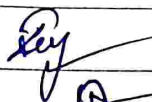

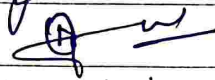

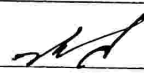

Thus, the college authorities invited Kalam Patua. Kalam Patua was born in the Patua community of scroll painters and story tellers. He is a self-taught contemporary exponent of Kalighat painting, which draws on conventions from West Bengal scrolls and Indian miniature painting. He also points light, humorous works, including a series about working in the postal system. The workshop was organized on 15.12.2021, the students were also very excited to see specimens of unconventional.
